

A CHECKLIST OF THE BIRDS OF FLEET POND, FLEET, HAMPSHIRE (1970-2016)

(Checklist covers Fleet Pond Nature Reserve and the adjoining Fleet Little Pond, and the fields and Bramshot Heath to the east of Fleet Pond Nature Reserve)

Status Key:

R = Common Resident	r – Scarce Resident
W = Common Winter Visitor	w – Scarce Winter Visitor
S = Common Summer Visitor	s = Scarce Summer Visitor
M = Common Passage Migrant	m – Scarce Passage Migrant
o = Occasional Visitor	v = Rare / Very Rare Visitor or Vagrant (10 or less records). Number of records indicated numerically by month with number of individuals involved in parentheses for Vagrants
 = Common. Should be encountered with ease on most field trips in the months indicated	
 = Should be encountered 50% of the time in the months indicated	
 = May be encountered but irregular or present in very small numbers in months indicated	
 = Scarce and unlikely to be encountered although has been recorded in the months indicated	
(b) = Breeds or has attempted to breed at Fleet Pond or adjoining the Reserve

Red-legged Partridge	v														
Grey Partridge	v														
Pheasant	o														
Red-throated Diver	v														
(Northern) Fulmar	v						1								
(Northern) Gannet	v	1						1							
(Great) Cormorant	r/W(b)														
Shag	v														
Bittern	m/w														
Little Bittern	v								1						
Little Egret	m/w														
Great White Egret	v					1					1				
Grey Heron	R(b)														
Purple Heron	v					3	1	1							
Eurasian Spoonbill	v					1									
Little Grebe	m(b)														
Great Crested Grebe	R/W(b)														
Red-necked Grebe	v													1	
Slavonian Grebe	v														
Black-necked Grebe	v														
Honey Buzzard	m														
Black Kite	v				2	2									
Red Kite	r/m														
Marsh Harrier	m														
Hen Harrier	m														
Montagu's Harrier	v					3									
Sparrowhawk	r(b)														
Common Buzzard	r/m														
Rough-legged Buzzard	v										1				
Osprey	m														
Water Rail	r/W(b)														
Spotted Crake	v														
Moorhen	R(b)														
Coot	r(b)														
Common Crane	v					1(3)									
Avocet	v					1									
Oystercatcher	m														
Collared Pratincole	v					1									
Golden Plover	m														
Dotterel	v								1						
Grey Plover	m														
(Northern) Lapwing	m/r(b)														
Little Ringed Plover	m/S(b)														
Ringed Plover	m														
Whimbrel	m														
Curlew	m														
Black-tailed Godwit	m														
Bar-tailed Godwit	m														
(Ruddy) Turnstone	m														
Knot	v													1	
Ruff	m														
Curlew Sandpiper	v									1					
Sanderling	m

¹ Red-backed Shrike and Willow Tit formerly bred at or adjacent to Fleet Pond Nature Reserve up until the 1970s and 1980s respectively, but they have not been recorded since.

Non-Native/Escaped Species Recorded At Fleet Pond:

- Black Swan
 - Snow Goose
 - Bar-headed Goose
 - Emperor Goose
 - Cackling Goose (Lesser Canada Goose)
- Ruddy Shelduck
 - Ringed Teal
 - Wood Duck
 - Cape Teal
 - White-cheeked Pintail
- Cinnamon Teal
 - Sacred Ibis
 - Crowned Crane
 - Cockatiel
